### **What is OFYC?**

Oregon Foster Youth Connection (OFYC) is a statewide, youth led advocacy group of current and former foster youth between 14 and 24 years of age. OFYC members shape every aspect of what OFYC is, how it is structured, which policies we work on, and what activities we participate in. With support and training from OFYC, members are empowered to actively participate in the development of policies, programs, and practices that improve the lives of thousands of youth in Oregon's foster care system.
